

## It's an A-MAY-ZING Month to Buy a Car - With MY CREDIT UNION!

"Buckle up," MY CREDIT UNION members, and "hold on tight to your steering wheel" because we have some great news for you! For the month of May, members have two great ways to save money on the purchase of their next vehicle!

- **Enterprise Car Sale** - during May, qualifying members can purchase a pre-owned vehicle from Enterprise® and finance with MY CREDIT UNION and earn either a 1.50% rate buydown or Kelley Blue Book® value + \$750 on your trade-in.\*
- **MY CREDIT UNION "Loyalty Loan Event"** - during May and June, qualifying members purchasing a vehicle (just not from Enterprise) and financing with MY CREDIT UNION can still earn up to a .50% rate reduction. Loyal members will earn a .25% rate reduction with an active MY CREDIT UNION checking account and will earn an additional .25% rate reduction with an active MY CREDIT UNION Rewards Visa® Credit Card at the time of purchase. If only one applies, loyal members will still receive a .25% rate reduction.\*

At a time when inflation and loan rates keep going up, up and away, MY CREDIT UNION and Enterprise Car Sales have stepped up to help keep your auto loan rate and monthly payment down and save you money! Tell your friends, family and co-workers they need to look to MY CREDIT UNION for their next auto loan!

\*Final auto loan rate for Enterprise Rate Buydown and the "Loyalty Loan Event" determined by overall creditworthiness at the time of purchase. Must be a MY CREDIT UNION member or become a MY CREDIT UNION member to qualify for the offer. Loans are subject to approval. Other qualifications may apply. Rates may change at any time. Offer may change or end at any time. Active MY Checking Account is defined as monthly Direct Deposit activity or six monthly transactions. Active MY Rewards Visa Credit Card is defined as carrying a \$500 monthly balance or six transactions per month. Other conditions may apply. Closing MY Checking Account or MY Rewards Visa Credit Card or not maintaining "active" status during the term of the loan will trigger repricing of the loan to the current, stated auto loan rate.

## MY CREDIT UNION Surpasses 24,000-Member Plateau!

MY CREDIT UNION is proud to be a leader in the communities we serve - but that doesn't happen without great members who continue to refer family, friends and neighbors to join their favorite credit union. Even 7 ½ feet of snow this year did not stop new members from coming in the door!

Be sure to keep an eye on our membership totals for the rest of 2023 and beyond. We will announce some fun activities and contests to predict and celebrate when we surpass the 25,000-member mark! Thank you, MY CREDIT UNION members!

## “Phishing” Opener Is Right Around the Corner!

After enduring one of the longest, snowiest and most painful winters in Minnesota history, many MY CREDIT UNION members are eager to get out and get ready for Mother’s Day, the “Fishing Opener” and other warm-weather activities! Don’t let the bad guys “reel” you in!

Just a reminder of some of their tactics to trick you into providing them the access or information they are looking for...

- Phishing = email scams
- Smishing = text scams
- Vishing = voice scams
- Catfishing = social media fake identity

MY CREDIT UNION will always try to be your “life jacket” and protect members from scams, but the best protection is for our members to learn how to “swim” on their own in these shark-infested waters. If someone reaches out to you claiming to be from MY CREDIT UNION, it is good practice to reach out to us directly and confirm we are indeed trying to reach you. We have all your information already, so we would not ask for your Social Security number, account numbers, etc.
