

THE BUZZ!

FROM BEE

The role of the bee antennae is to detect and locate pollen, which is essential for the bee's survival and future.

Similar to being able to understand currency and how to count it will help you build a secure foundation for your future!

Start saving up for your future. The time is now to build your hive and set yourself up for success!

SUCCESS

DON'T FORGET

You can earn Bee Bucks by participating in HoneyBee Events and completing certain newsletter activities - Save your Bee Bucks to go shopping in the hive for fun prizes

SPREAD THE FUN!

Tell your friends and family to visit any branch location to open your very own HoneyBee Club Account!

FOR KIDS ONLY!! (ages 0-12)

www.mymncu.org/goals/honeybee-club

FUN

Check out the last page of The Buzz for the Crazy Currency worksheet. Bring in the completed worksheet with the correct matches to earn a Bee Buck! Remember to save up so you can go shopping in The Hive for fun toys and prizes!
