## Using a Debit Card is Convenient & Safe

Many card users enjoy the convenience of their checking accounts thanks to the ease and convenience of debit cards. Just swipe or tap your card or hand it to the cashier. You'll skip trips to the ATM, and you can leave your checkbook at home.

Using a paper checkbook is becoming more and more outdated, and many retailers won't even accept checks. Plus, a debit card can help speed through any checkout process—all without the need to carry change, write a check, or stop at the ATM.

Extra Security also helps you keep piece of mind – Our EMV or Chip Cards bring increased security because it is a more sophisticated authentication than the magnetic-strip cards.

### WITH A MY CREDIT UNION DEBIT CARD, YOU GET:

- 24/7 checking account access
- Accepted everywhere Visa debit is accepted
- Access to OVER 40,000 surcharge-free ATM Locations
- Mobile Banking & Card App Access
- Extra Security & Peace of Mind
- It is Interest Free!

### Cash Back at the Store -- The ATM Alternative!

Debit Card holders have another way to withdraw cash besides the ATM -- get cash back when checking out at most stores. When purchasing at a participating retailer, choose the "Debit" option and enter your PIN instead of choosing "Credit" and signing for your purchase. This gives you the opportunity to receive cash back with no fees from the transaction.
