

# THE BUZZ!

## FROM BEE

Spring is here and the bees are buzzing! As the sun shines and flowers bloom, honeybees wake up and get to work.

They fly from flower to flower to collect pollen and nectar to make honey. Bees are important helpers for our planet, helping plants grow and giving us sweet honey to enjoy.

If you see a bee, remember to give it space and say 'Thank You!'

What's a bee's favorite hairstyle? a BUZZ cut!

"I switched to MY CREDIT UNION 3 years ago and I recommend it to everyone who lives in the Richfield/Bloomington area. Not just because of the wonderful banking experience I receive, but I love the HoneyBee kids club for my daughter. We get to do fun events together, earn Bee Bucks and learn smart saving at a young age!" -Alyssa P.
