MY Retirement & Investment Solutions

When the NFL held their draft recently, many teams hope to fill holes in their line-up. I felt the same way when I came to RBCU, now MY CREDIT UNION, four years ago. One hole I wanted to fill was to establish an in-house retirement and investment services program for our members. That is a critical need for many members at various "stages of life" and requires the professional skill and expertise to educate and guide members "life" decisions. By the end of 2018 plans were in place to fill that hole in the MY CREDIT UNION product & service line-up. Lisa Blevens is doing a great job educating and guiding our members on key life decisions.

- She is an employee of MY CREDIT UNION, not a broker who simply resides here.
- She has 20+ years of experience in the industry.
- She schedules in person appointments at all three branches or on Zoom or over the phone.
- It is never too early or too late "in life" for Lisa to consult with you on your needs.

Money moved from MY CREDIT UNION accounts to MY Retirement & Investment Solutions does not hurt the credit union, it helps both MY and our members diversify their holdings. The difference between MY Retirement & Investment Solutions and other investment firms is that those other companies return zero benefit to their local communities. The income generated by MY Retirement & Investment Solutions becomes part of the pool of money MY CREDIT UNION invests locally to sponsor VEAP and other non-profits, teams, scoreboards, and other community initiatives. Choose MY and it is really a win, win, win for MY members, MY CREDIT UNION, and our local community.

Sincerely,
Greg Worthen
President
