# Keep Your Contact Information Up to Date

Please notify MY CREDIT UNION if your mailing address, email address or primary phone number (got rid of a landline?) has changed. MY policy is that ONLY MEMBERS can initiate updating this information in our system. For security reasons, filing a CHANGE OF ADDRESS form with the Post Office WILL NOT change your contact information at MY CREDIT UNION. Members are also encouraged to contact USPS directly if experiencing mail delivery issues, MY CREDIT UNION cannot intervene on your behalf.

- Paper Monthly Statements - Members are assessed a \$10 fee if their monthly statement is returned to us by the USPS. That \$10 will gladly be waived if a new address is confirmed within 30 business days.
- E-Statements - Members enrolled in e-statements are notified via email when their e-statements are ready to be viewed each month. The statements themselves ARE NOT emailed to you. Once notified, members simply login to the secure MY CREDIT UNION on-line banking platform to view their statement. It is identical to the printed statement, but arrives in home (via your computer, tablet, or cell phone) typically the 1st or 2nd business day of each month.
- Telephone Number - Many members have ditched their old landline phones, but not provided MY CREDIT UNION with their new primary phone number. Many members discovered when they recently tried to activate their new MY CREDIT UNION Debit Card, our security procedures do require members use a phone number they have on file here.

MY CREDIT UNION takes its responsibility seriously to partner with our members in protecting their sensitive financial information from bad guys. To assist us in our efforts, we ask our members to be vigilant in keeping their mailing address, email address and phone numbers on file with MY CREDIT UNION up to date at all times!

# New Job – Fresh Start

Have you recently changed jobs? It is time to make a decision about your 401(k).

As you prepare for a move or are settling into a new job, do not forget about your 401(k) plan with your previous employer.

Available options include rolling it into an IRA or cashing out. Alternatively, if permitted, you may also have the option to leave the 401(k) in its current plan or to roll it over to a plan sponsored by your new employer.

We can review your personal circumstances and help you decide which option is right for you and walk you through the process.
