

MY CREDIT UNION Welcomes TruLync Medicare Advisors

MY CREDIT UNION's mission is "to provide financial solutions that Educate, Empower and Engage our members and communities." We want our members to be informed consumers so that when it comes time to make some of the most important financial decisions in their lives, they feel they have the skills, tools and resources to put them on the right path.

For many seniors and retirees, one of the most important financial decisions you will make is in terms of understanding and choosing the Medicare options that are the best for you. So MY CREDIT UNION has enlisted the help of TruLync Medicare Advisors to help guide MY members as the 2023 enrollment period draws near.

Members are invited to attend one of two free TruLync Medicare Advisors' educational seminars:

Where: Richfield Branch Community Room
345 East 77th Street

When: Tuesday, October 3

Time: 10:00 a.m. - 11:30 a.m. or 2:00 p.m. - 3:30 p.m.

To register, tell a staff member at a branch to sign you up or call 612.798.7100. Space is limited. If this date or time does not work for you, please let us know and we will connect you directly with TruLync.

Member Appreciation Month

Some credit unions have Member Appreciation Day or Member Appreciation Week, but not MY CREDIT UNION. We love our members so much; we need a whole month to show you how much we appreciate you being a MY CREDIT UNION member!

In addition to extending the Enterprise® Car Sale to last the whole month of October, MY CREDIT UNION staff will be out in the community volunteering on Indigenous Peoples' Day, serving some Halloweenies on Fridays during October, conducting a variety of free seminars, offering some product specials and hosting a variety of giveaways throughout the month.

New Website Now Live!

Members should have noticed over the past few weeks that our website has a new look. With online content consumption shifting from desktops towards cell phones and tablets, our goal was to rethink the design of the site to allow members to quickly access MY information in the palm of their hand.

The old website could be described as a person who is long overdue for a haircut. Kind of shaggy, maybe a little tangled up and frustrating to deal with. The goal of the new website was to be a haircut and remove any tangles so members could easily find what they were looking for.

Website security and maintenance are a "living & breathing" ongoing and unenviable task. If you discover something that makes you say "hmmm" such as a broken link or missing content, please let us know and we would be happy to address it.

Members will soon see information about TruLync Medicare Advisors and some other exciting member benefits that should soon go live, so check back often. We do not plan to have our website be a static site, but one that changes and evolves constantly!

Retirement & Investment Solutions

Look carefully at your retirement income.

*Now that you are retired, is your income meeting your lifestyle and needs?
Are there areas of your finances that you could review with a sharper lens?*

You may be evaluating certain elements of your life with a sharper lens as you get older. Your portfolio should be no exception. If your financial needs or living and family situations have changed during retirement, or you find that your lifestyle and income are not in sync, it may be time to take a closer look.

Team Donaldson Prevails at 2nd Annual "Fall Classic" Cornhole Tournament

The MY CREDIT UNION Community Foundation did not start out with a goal to host one of the largest cornhole tournaments in Minnesota. It just happened! The response from the Minnesota business community in supporting veterans has been amazing! This includes other credit unions, credit union vendors, large Minnesota corporations and smaller family-owned businesses as well.

Not only did we surpass the success of the inaugural event in 2022, both in terms of the total number of teams competing and dollars raised, but we also feel as though we have established a solid foundation to host this event for many years to come!

Congratulations to our neighbors from Donaldson Company here in Bloomington for hoisting the Championship trophy, but also earning the highly coveted Chick-Fil-A® "Cup" which happened to be filled with gift cards... Hope they are hungry!

As Veterans Day approaches, all MY CREDIT UNION members will be invited to bid on silent auction items, via Bidding Owl, with those proceeds added to the total from the cornhole tournament and then distributed to local veteran organizations such as Bloomington Remembers, MN Warrior Hockey, Warriors Next Adventure, Project Got Your Back, Project Hero, Veterans on the Lake and more.
